

JASON WU BERGERON

NEW YORK, NY
2026

Hands-on fabricator with a Product Design degree, focused on build execution, CAD-driven design clarification, and supporting production through prototyping and fabrication.

EXPERIENCE	<p>BY J.WU <i>Co-Founder/Product Designer</i> 2024 - Present</p> <ul style="list-style-type: none">• Fabricated and prototyped lighting products and apparel from concept through production.• Developed concept 3D models and used CAD (Rhino) to clarify assemblies and fabrication details.• Produced basic drafting and manufacturing tech packs to communicate dimensions, materials, and construction intent.• Led hands-on build work, material testing, and iterative prototyping to resolve fabrication challenges.• Coordinated small-batch production with domestic and international manufacturers.• Managed quick turn around projects from early design through fabrication, assembly, and launch. <p>MARK JUPITER <i>Workshop Assistant</i> 2023</p> <ul style="list-style-type: none">• Maintained the workshop in operating condition - maintenance• Assisted with early production of furniture - prep, assembly, delivery• Identified and resolved shop issues to maintain workflow and production. <p>SMILEY INC <i>Project Assistant</i> 2022</p> <ul style="list-style-type: none">• Assisted in the development of historical housing renovations• Carpentry • Framing • Flooring • Landscaping • Decorative Finishes• Demolition.
FABRICATION	<ul style="list-style-type: none">• Wood Work • Non-Ferrous Metal Work • Leather Work • Sewing• Basic Electrical (lighting components, wiring)• CNC • 3D Printing • Laser Cutting
DEVELOPEMENT	<ul style="list-style-type: none">• Translating design intent into build-ready details and assemblies• Iterative prototyping to validate form, structure, and fabrication methods• Refining designs based on material behavior, tooling limits, and production constraints.• Drafting and clarifying dimensions, tolerances, and construction intent for fabrication.
SOFTWARE	<ul style="list-style-type: none">• Rhino 8 • Solidworks • Key Shot • Photoshop • Illustrator • Indesign
EDUCATION	<p>PARSONS SCHOOL OF DESIGN BFA Product Design 2022-2024</p> <p><i>Department Honors</i> <i>Student Merit Award - IDSA Finalist</i> <i>Golden Prototype - Lotus Pendant Light</i></p>
